

EDRE 550: Literacy Practicum

Students will observe reading classes and instruct those classes, under supervision, on the elementary and secondary levels. Each student will arrange for the assessment of one elementary, middle school, or secondary student thought to have potential reading and/or writing difficulty and will provide instruction and support. A case study of the elementary or secondary student will be presented which will include daily lesson plans, reflections, anecdotal records, journal, pre-and post-assessment data, and a summary report.
